Cir. No. AIPTECH/03/2022   Date: 04th Feb. 2022

Subject - Offline Session Commencement February 2022 - General Notice

Dear Students and Parents,

Greetings from AIPTECH Institute!
Hope you all are safe and enjoying good health.

Students to note that the offline sessions will commence from Monday, 7th February 2022. *Timetables for the respective course will be shared through WhatsApp by the respective teachers by Saturday, 5th Feb. `22 at 4 pm.*

We have made necessary preparations to resume the offline session at the institute following the Covid-19 protocol. Student and employee safety & their well-being are at the forefront of our activities.

While having expressed our readiness to welcome the students, as per the state rules and regulations towards Covid-19 precautions, it is important that every student is fully vaccinated against Covid-19. This will allow you to avail of the state public transport and commute to and fro with ease. *Student Vaccination was encouraged through Circular No. AIPTECH/02/2022 dated 4th October 2021 as well.*

We encourage you to get ready with your personal Covid-19 Safety Kits and Arogya Setu App. Kindly ensure that the kit and the said preventive measures are followed by you at all times while on campus:

1.   Every student to wear a face mask covering the nose and the mouth at all times.
2.   Carry your individual sanitiser bottles for quick reach.
3.   Carry your own water bottles and avoid sharing the same with your friends.
4.   Hand wash to be practised at regular intervals.
5.   Avoid attending the offline sessions if you are suffering from any of the symptoms of fever, headache, running nose, cold, cough, nausea and Body ache.

Kindly note, entry without the facemask and Covid Vaccination Certificate is prohibited. In case any of the above said symptoms are seen, entry will strictly be prohibited.

Let's work together to contribute towards breaking the spread of Covid-19 with extra care and caution

Stay safe! Stay blessed!
Regards,

Ms Shweta Amolik
Director
AIPTECH
