Subject - Daughter Empowerment Consent Form

Dear Students and Parents,

Greetings from AIPTECH Institute!

Hope you all are safe and enjoying good health.

We are happy and fortunate to receive healthy support from various NGOs and individuals supporting Women's Empowerment.

On Thursday, 17th March 2022, we had members from the Rotary Club of Poona Airport who visited our institute and conducted daughter empowerment sessions on 'Say No to Harassment; 'Helpline Guide'; 'Women Safety, Hygiene and Sanity'. The Club members have supported our students with Sanitary Napkins, Guidance Books, Multi-Vitamin Pills and Pepper Spray kits. While the Sanitary Napkins and Books have been distributed by the staff to the course wise students.

We have selected a few students to support them with Health and Safety and wish to help you with the Multi-Vitamin Pills and Pepper Spray kits. As the two come under consumption and safety factors, you have required the below-given Consent Form and submit the same on or before Monday, 27th March 2022 to avail of the benefit.

Stay safe! Stay blessed!

Regards,

Ms Shweta Amolik
