A New Beginning

"The heaviness of being successful was replaced by the lightness of being a beginner again, less sure about everything. It freed me to enter one of the most creative periods of my life."

-Steve Jobs.

A new beginning entails both, a rupture with the past and a re-visioning of the future. The pandemic without a doubt was one of the awful experiences we had to face as a society. But we at AIPTECH believe that every grey cloud has a silver lining. These last couple of years have allowed us to take a step back and reflect on how we could better ourselves. And we are all set for a New Beginning.

Students at AIPTECH spend hours in workshops honing their practical skills & gaining hands-on experience in their respective fields. Completion of the course not only makes the students feel confident in their abilities but also assures the employers they have made a fine choice by hiring our candidates.

Anjuman-I-Islam Polytechnic for girls strives hard in every way for the upliftment of women in society by providing them with quality education and plenty of opportunities for personal & well as professional advancement.

- Mrs Sabrina Khan - Supervisor, AIPTECH.

AIPTECH Session Highlights

Fabric Painting Workshop by Ms Purna Verma

In **May 2022** students of the DM and Autonomous fashion designing batch had a fabric painting workshop conducted by Ms Purna Verma at AIPTECH.

Fabric painting is a technique used by art quilters to create or enhance their quilt designs. Fabric can be wet or dry when painted, each will yield different results. The type of paints also varies from opaque to translucent as well as shimmers. Techniques and tools can vary from very simple to incredibly complex. Students got an opportunity to learn simple and effective techniques of painting.

Crochet Workshop by Ms Shamim Jawadwala

In June 2022 students of DM and the Autonomous fashion designing batch had a crochet workshop at AIPTECH.

Crochet is a process of creating textiles by using a crochet hook to interlock loops of yarn, thread, or strands of other materials. Hooks can be made from a variety of materials, such as metal, wood, bamboo, or plastic.

Chocolate Making Workshop

A delicious session with mouth-watering chocolate making was conducted by Ms Mariam on 21st April at AIPTECH. Ms Mariam taught the students 5 types of chocolates - white chocolate, dark chocolate, semi-sweet chocolate, flavoured chocolate and cocoa chocolate with different moulds.

The students were taught decorative packing to the chocolates and were given 5 chocolates per student as a sweet takeaway memory.

Nail Art Workshop

The Polytechnic in association with ISAS institute organised a guest lecture on Nail Art for the Beauty Culture students on 22nd April 2022. The students were taught 3 different styles of nail art designs with knowledge about nail care tips, cutting, polishing and buffing.

The ISAS institute led by Mrs Bhakti Sapke and coordinated by their academic coordinator - Mrs Darshana, was kind enough to have sponsored this workshop from material to guest faculty for AIPTECH.

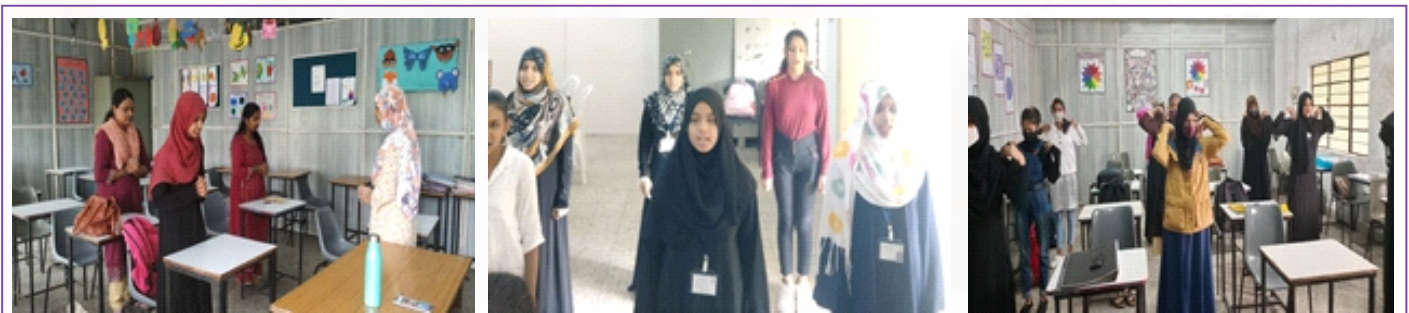

Celebration of International Yoga Day

The word 'Yoga' is derived from the Sanskrit root 'Yuj', meaning 'to join' or 'to yoke' or 'to unite'. As per Yogic scriptures, the practise of Yoga leads to the union of individual consciousness with that of the Universal Consciousness, indicating a perfect harmony between the mind and body, Man & Nature. AIPTECH celebrated International Yoga Day on 21st June 2022. The students and staff demonstrated the yoga asanas to the students with great enthusiasm.

Assemblies At AIPTECH

AIPTECH believes in strengthening the mind through positive focus and attitude of the students. The class assemblies are conducted at AIPTECH daily wherein students read motivational short stories, share their thoughts about social concerns related to women empowerment & education, thank the almighty and sing the national anthem.

Dress Designing & Manufacturing - Fashion Designing 2022

Tie & Dye Workshop

In April 2022, students of Fashion Designing of the Government and Autonomous batch had a Tie & Dye workshop conducted by the HOD - Mr Sujit Joshi at AIPTECH.

Tie & Dye is a term used to describe several resist dyeing techniques and the resulting dyed products of these processes. The process of Tie & Dye typically consists of folding, twisting, pleating, or crumpling fabric or a garment, before binding with string or rubber bands, followed by the application of a dye or multiple dyes.

Preschool Teachers Training Course 2022

In April 2022, the Govt. syllabus was completed and students were prepared to become Preschool teachers and deliver knowledge to young preschoolers.

Preschool Teachers Training is a comprehensive course designed to educate the teachers about children's needs to ensure healthy intellectual, emotional and physical development.

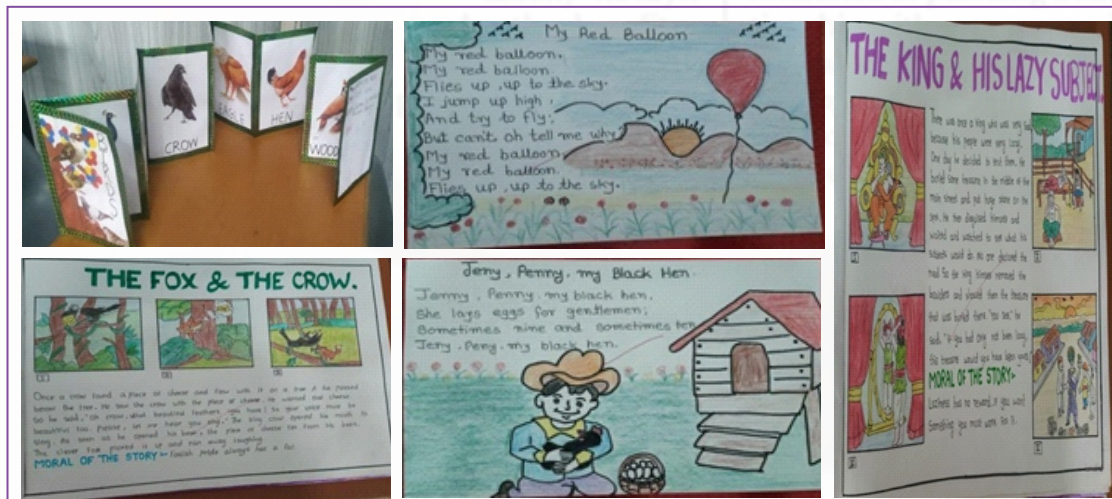

The trainee teachers were taught to prepare lesson plans which play a key role in conducting the lessons effectively.

They were provided with the opportunity to conduct mock lessons in the class which gave them practical teaching experience and developed their confidence.

Success Stories

Out of 24 of our students from the government batch, 18 students got placed in recognised schools in Pune city and other cities as well. Schools like Vibgyor School, Lexicon Kids School, Little Sprouts School, Lakewood Preschool, Noah's Ark Preschool, etc.

Diploma in Computer - NCPUL N.I.E.L.T Course 2022

Multilingual DTP Module

In April 2022, the multilingual DTP model for the NCPUL students began. The students learned Photoshop and Corel Draw.

Adobe Photoshop is a software application for image editing and photo retouching for use on Windows or macOS computers.

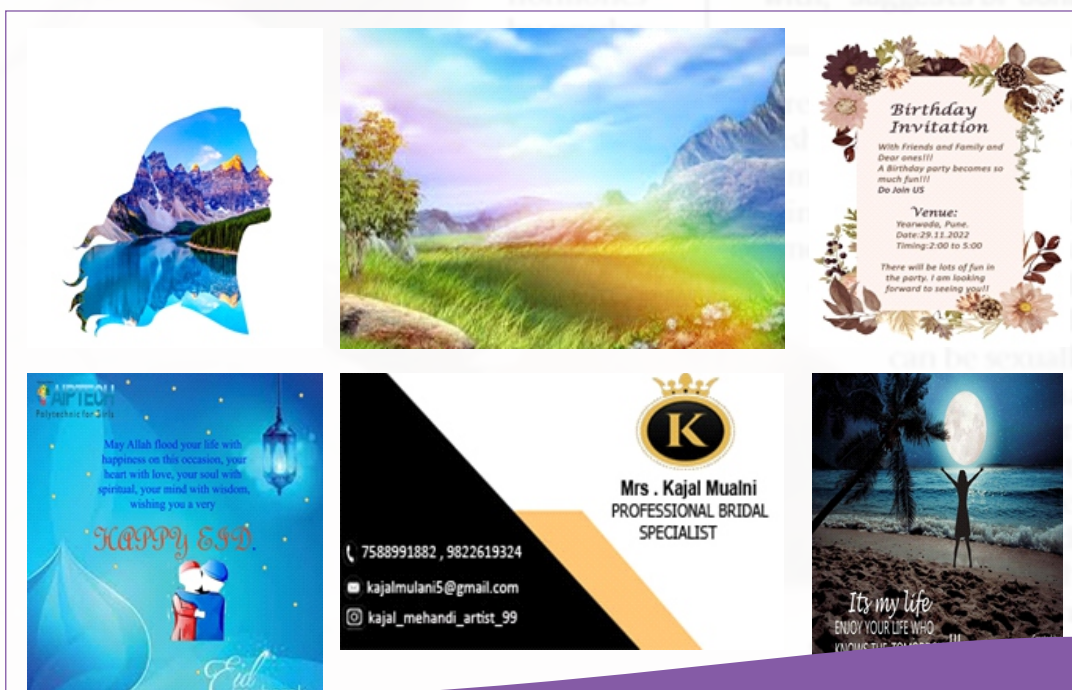

Photoshop offers users the ability to create, enhance, or otherwise edit images, artwork, and illustrations. Changing backgrounds, simulating a real-life painting, or creating an alternative view of the universe are all possible with Adobe Photoshop.

CorelDraw is a program used in the professional space to create brochures, newsletters, business cards etc.

In this model, students learned Hand tool (H), Move tool (V), Rectangular Marquee tool (M), Elliptical Marquee tool (M), Lasso tool (L), Magnetic Lasso tool (L), Polygonal Lasso tool (L) magic eraser tool, background eraser tools and many more tools and using these tools they have done many effects like (Water effect, Fire effect, clipping mask (to object and text), Red-eye effect, smoke effect, sand effect, rainbow effect, mirror image effect, merging image, etc). They designed beautiful posters and invitation cards in adobe photoshop CS.

They also made Business cards and different types of logos in Corel Draw.

Student's Work

VERVE, SESSION HIGHLIGHTS

The students of NCPUL were encouraged to create customised posters to spread general awareness about certain social concerns.

Computer Department - MS-CIT 2022

Master of Science in Information Technology

MS-CIT is a 2 months (144 hours) course. It helps the student to get educated with Computer Literacy through IT Literacy, Alertness, Functionality, and Applicability among people. The students qualifying for the MS-CIT course can strengthen confidence levels that enable them to get placed effectively in the 21st century.

Buddy Session by MKCL

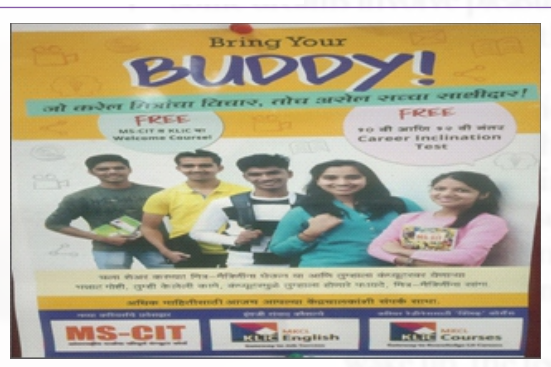

In May 2022 students of MS-CIT had to bring along a buddy of theirs for the buddy session conducted by MKCL & our faculty - Ms Heena Sache and Ms Hasina Andewadi at AIPTECH.

This session oriented the guests about MKCL & KLiC courses. The objective of the session was to let the students know about the MS-CIT & KLiC courses. A brief explanation of the courses and their benefits in each field was shared.

MS-CIT

Maharashtra State - Certificate in
Information Technology

VERVE, SESSION HIGHLIGHTS

Expert Sessions by MKCL

In June 2022 students of MS-CIT had an expert session every Thursday that was facilitated by MKCL. These sessions were conducted by experts. Every expert session teaches a new skill to students and motivates them to be future-ready.

Hobby Courses at AIPTECH 2022

The Mehendi course is being conducted at AIPTECH & is popularly receiving student enrollments as the course is delivered in an organised and systematised format.

The students are taught to draw the mehndi patterns on the book with a pen/pencil. Then they are guided to use the mehndi cone on the OHP sheets with the help of the mehndi cones. They are also taught to make henna cones.

THE SPEAKING TREE

Teacher Talks

New beginnings and fresh starts are always challenging. If you can let go of the past, freeing yourself of failures and disappointments, you can embrace a new perspective- a fresh look at the future and all the wonderful possibilities it holds.

If your mind is telling you it's time to start fresh, you might need to listen to the voice.

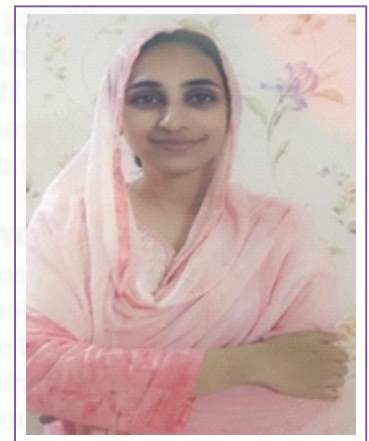

“No matter how hard the past is,
There is always a new beginning.”

The stepping stone to my career was the preschool teacher's training course which helped me to make progress toward my goals. AIPTECH provided me with the platform for the beginning of my career as a teacher.

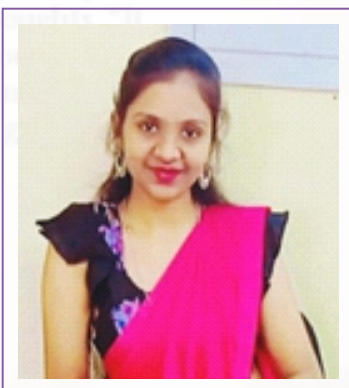

“A journey of a thousand miles begins with a single step.”

This quote expresses deep insight into the determination and the significance of the first step in one's course of life.

Mrs Sadia Khan (HOD, Preschool Teachers Training Course)

Alumni Success Story

Hello Everyone.....

I am Alisha Aslam Shaikh. I completed my NCPUL (Diploma in Computer Application) with **distinction** (83%) in the 2020-21 batch from Anjuman I Islam's Polytechnic for Girls.

Recently, I'm doing a job in **Hallmark Business Services LLP** Vishrantwadi Pune. Based on this Diploma in Computer, I got a job opportunity and within 9 months I got promoted to a team leader and I am earning ₹24,000/- per month. I wish to thank my teachers and the staff members

at AIPTECH for being dedicated and **passionate about teaching** us. I would like to thank Mr Khalid Ansari and Mrs Zeyna Ansari for sponsoring my education at AIPTECH. I can never repay you for your remarkable contribution to guiding us onto our path to success.

I wish we too can touch some lives the way you have as an act of 'Paying It Forward' Thank you!

Mrs Alisha Aslam Shaikh

PAY IT FORWARD STORY OF THE QUARTER

Khalid & Zeyna Ansari Foundation is an enabling and facilitating organisation with a sharp focus on employability. The foundation encourages 'Women Empowerment' by sponsoring skill development courses for students from weak financial backgrounds. The foundation encourages the sponsored students to carry out the deed of kindness & to pay the received kindness forward.

AIPTECH formulated an undertaking form wherein the student signs a petition to contribute to society through 'Paying It Forward' in various ways.

Pay It Forward Story - Ms Zareena Shaikh & Ms Sofiya Shaikh

★ Our Story

1. We, Ms Zareena Shaikh and Ms Sofiya Shaikh are students of the NCPUL course 2021 batch and are supported by the KAZF scholarship.
2. We both are residents of the Anjuman-I-Islam's Orphanage for Muslim Girls, Pune.
3. We have an interest in yoga and know it very well.
4. As a gesture to pay forward the generosity received from Khalid Sir and Zeyna Ma'am, we arranged a celebration of the International Yoga Day Programme 2022 for our batchmates.
5. We explained to them the importance of yoga and demonstrated different types of poses.
6. We encouraged our classmates to make charts to create awareness and share the importance of YOGA.

"Yoga is a light, which once lit will never dim. The better your practice, the brighter your flame".
